West Bengal State Council of Higher Education

Notice

23.11.2021

With the COVID 19 pandemic spanning over the last one and a half years, a radical change is observed in the knowledge imparting pedagogy whereby online teaching-learning has become the dominant means for continuing academic programs all over the world. Continued teaching-learning mechanism had to overcome the boundaries of location, time and physical presence. During the period of pandemic, teachers of UG and PG levels of colleges and Universities across West Bengal have rendered their best effort to seamlessly shift from the traditional physical mode of teaching to the online digital mode using ordinary to complex technological models and methods. It is noteworthy that the process has generated huge teaching-learning materials at the UG and PG level disciplines across faculties. This huge resource should be classified and organised properly.

With approval of the competent authority in the Higher Education Department, Government of West Bengal, the West Bengal State Council of Higher Education requests the authorities of all Universities and Colleges of West Bengal to send the E-contents/E-materials developed by their faculties during the pandemic period to the WBSCHE at the following email: eresource.wbsche@gmail.com by 15.12.2021. It is desirable that the institutions do a primary screening of the E-contents/E-materials before sending them to WBSCHE. A second phase screening of the E-contents/E-materials will be done by subject experts at the end of WBSCHE before they are put up in the website of WBSCHE. The authors and the institutions will be acknowledged in appropriate manner.

At the initial phase, E-contents/E-materials are requested to be submitted in the following subjects

Language	Humanities and Social science	Commerce
<ul style="list-style-type: none"> • Bengali • English • Urdu • Santhali 	<ul style="list-style-type: none"> • History • Political Science • Sociology • Geography • Economics • Psychology • Women's Studies 	<ul style="list-style-type: none"> • Accountancy • Costing & Taxation • Cost Accountancy and Auditing

We seek kind cooperation from all institutions.

Prof. Mamata Ray (Chaudhuri)

Vice-Chairman (Academic), WBSCHE
