The Director,
Indigen Institute of NeuroPshychology Council

Sub.: Application seeking collaboration for organizing an awareness camp

Respected Sir/Madam,

Seva Bharati Mahavidyalaya is a multi-disciplinary co-educational General degree college located at Kapgari in the newly-formed district of Jhargram in West Bengal. The college is affiliated to Vidyasagar University. Presently, the college offers B.A., B.Sc. & B.Com. (Honours & General) courses. From the very inception in 1964, the avowed purpose of the college had been to cater to the need of higher education of the students of SC, ST-dominated, underdeveloped and socially underprivileged backward rural area of Jhargram Sub-Division of erstwhile Midnapore district. The students of this college are mostly the first-generation learners. Empowering the poor and academically backward people of Kapgari and its adjoining areas was the sole aim and objective of founding the Mahavidyalaya.

It gives me immense pleasure to inform you that the IQAC of our college is planning to organize an awareness camp on the occasion of “World Autism Awareness Day” on 2nd April (Saturday) 2022 at 12:30 PM. We seek academic collaboration with your esteemed institute, which we think, will immensely contribute to the social betterment as it will create a platform for the exchange of ideas, views and perceptions among the students, teachers, and academicians involving both the institutes.

Looking forward to a positive response.

Thanking you.

Yours faithfully,

Dr. Deba Prasad Sahu
